ALC 14% | RS 2,7 g/l | pH 3,52 | TA 5,5 g/l | VA 0,56 g/l

VINTAGE CONDITIONS

A cold and sufficiently wet winter. A warmer August led to early budding. Ripening conditions were good, with harvest starting 10 days early. This vintage produced wines that are elegant and age-worthy.

WINEMAKING / MATURATION

Fermentation took place in open-top concrete fermenters at 28°C. The floating skins were punched down mechanically every 2 hours during fermentation. The juice was drawn off the skins after 3 - 5 days. After malolactic fermentation, the wine was matured for 12 months in 2nd and 3rd fill 225L French Nevers oak barrels.

TASTING NOTES

Deep ruby colour. The nose is expressive and layered, with dark fruit and liquorice, followed by fresh tobacco and a hint of dark chocolate. The palate is concentrated and bold, with juicy tannins that provide excellent structure. A satisfying and balanced wine that delivers both depth and freshness, with a lingering finish. An excellent wine to savour with a loved one on date night.
